**THE OLD RELIABLE, L. W. AT-** WOOD, fancy and staple grocery, corner Chapel and Charlotte, calls your attention to the fact that he has Numsen's Yacht Club Vinegar in stock. my20-7

## THE SACRED HEART.

**HOW THE FEAST WAS CELE-** BRATED IN NORFOLK.

Yesterday was observed as the Feast of the Sacred Heart in the Catholic Church. The services began with mass at 6 o'clock a. m., with Rev. Father Dougherty as celebrant. This was followed by another mass at 7 a. m., at which a large number of the congregation received Holy Communion. Most of these were members of the League of the Sacred Heart. Rev. Father Prioli was celebrant at this mass. The benediction of the Most Blessed Sacrament was held at 5 p. m., at which the orphans of St. Mary's Asylum sang the Latin hymn, "Tantum Ergo" and "O Salutaris." A large congregation was present at this service.

The League of the Sacred Heart exists in more than forty countries. It has about 55,000 members, over 5,000 of which are in the United States, and the 25,000,000 associate members, about 3,000,000 of whom are in this country, aggregated by parishes, communities and schools, are united so closely that every month they can learn, through the periodicals of this vast league, what their fellow associates are praying for and what the Pope specially recommends to their prayers.

The activity of this league is so extensive that it is interesting to learn how it originated.

In the seventeenth century Sister Marguerite Mary, a pious nun of the Order of the Visitation, who died in 1675, according to the tradition, Christ appeared to her, at Paray le Monial, and promised many favors to those who would render this special devotion to His honor.

The nun told her confessor, who, on June 21, 1675, was the first to ascribe himself to the Saviour according to the rules prescribed to Sister Marguerite Mary. The wonderful spread of the devotion, it is claimed, justifies the confidence expressed by the nun, who, it is said, declared: "If I should see the whole world violently opposed to this devotion, I should never despair of seeing it established, for I have had the assurance of it from the lips of my Saviour Himself."

Such is the story of the origin of this organization, which now flourishes in a most remarkable manner all over the world, and through which, at the request of Pope Leo XIII., the closing days of the nineteenth century were solemnly consecrated to-day.

A big line of negligee shirts with prices that will make you a purchaser. RUDOLPH & WALLACE, 333 Main street.

## Col. Walter H. Taylor.

The Fayetteville, N. C. Observer reproduces the Virginian-Pilot's sketch of this gentleman, with its own introduction as follows:

"A splendid Confederate monument, chiefly the result of the work of Col. Walter H. Taylor, was dedicated at Norfolk on Memorial Day. As Col. Taylor was Lee's Chief of Staff from the time he succeeded Joe Johnston in command of the army of Northern Virginia until the army of Appomattox, was the Great Commander's right arm in that memorable period, the subjoined sketch of his life, which we reproduce from the Norfolk Virginian-Pilot, will interest many a veteran of the Lost Cause. He was a model chief of staff, whose youth and modesty and slender frame were an attractive setting for the genius with which he mastered his onerous and conspicuous duties."

Slowly but surely have our Oxford mixtures worked their way to the front. Your next suit should be one of them. Tailored in our own exclusive way. RUDOLPH & WALLACE, 333 Main street.

## New Steamer Nantucket.

Yesterday's Baltimore Sun says: "The Merchants' and Miners' Transportation Company's new steamer Nantucket, Captain March, built at Wilmington, Del., by Harlan & Hollingsworth, will leave the yard of the buildings on Sunday and drop to an anchor off Christians Creek, Delaware river. On Monday the speed trials will take place, and after the finish the ship will sail for Baltimore. On the trip the company will be assisted by Mr. M. V. O'Neil, and on Tuesday night it is expected the Nantucket will arrive at Baltimore. She is scheduled to sail for Providence from Baltimore on Wednesday or Friday."

## Lawa Party Last Night.

The Ladies' Aid Society of Queen Street M. E. Church held a lawn party on the grounds of the residence of Rev. S. C. Batcher, on Wood street, last night. The surroundings were brilliantly illuminated with Chinese lanterns and the numerous tables, from which ice cream and other delicacies were served, were handsomely decorated with flowers. There was a continual stream of visitors who liberally patronized the enterprise.

## Reasons Elect Officers.

At the annual communication of Owens Lodge No. 164, A. F. & A. M., held Thursday night, the following officers were chosen: Walter H. Hall, W. M.; E. E. Palen, S. W.; W. H. Sargent, Jr., J. W.; Robert Johnston, treasurer; B. A. Marsden, secretary; James Gray, S. D.; E. J. Robertson, J. D. The washing appointed H. B. Bagnall, chaplain and R. W. Pettit, tiler. The officers were installed immediately after their election.

## C. & O. LAND DEAL CLOSED

The Granby Street and Tazewell Street Property Sold Yesterday.

## TO A STRONG SYNDICATE

Mr. D. Lowenberg Finances the Deal

—Sales to Individual Buyers Begun at Once—Mr. Abram E. Campe and Others Secure Gains at a Slight Advance Pro rata on Cost to Purchasers—A Syndicate Said to Want Site of Leach-Wood School.

In its issue of Wednesday the Virginian-Pilot outlined the big sale of Chesapeake and Ohio real estate that was on foot. Yesterday Mr. G. B. Wall, of Richmond, of the real estate department of the Chesapeake and Ohio Company, returned to Norfolk and was closeted with members of the syndicate of capitalists who were earnestly desirous of securing this valuable property.

The sale was concluded at the real estate office of Messrs. B. R. Jones & Co., in the Columbia building, and last night Mr. Wall left for Newport News to attend to important matters there, leaving Newport News for Richmond this morning via the Chesapeake and Ohio.

## PRICE ABOUT \$170,450.

This property fronts 351 feet on Granby street and about 100 on Tazewell street. The company asked \$175,000 for the property hereinafter described. The exact figure accepted was not disclosed last night, but is said to be about \$170,450. This figure is on a basis of \$450 per front foot for the Granby street frontage and \$125 per front foot for that on Tazewell street.

## MR. CAMPE GETS A LOT.

Soon after the syndicate had picked up its big plum from the bargain counter, Mr. Abram E. Campe, of the D. Lowenberg Boot and Shoe Company, took one of the Granby street lots at \$475 per front foot, and sales were also made to other individuals at better prices, one lot going for \$500 per front foot. Among others who are stated as early buyers are Reid Bros., one lot, and the Tazewell estate, two lots.

## THE PROPERTY SOLD.

The property sold is described as follows: Beginning on Brooke street, 120 feet from Granby street, easterly 120 feet to Granby; thence northerly 351 feet on Granby (to this sum add 40 feet for width of Tazewell street); thence westerly 253 feet, thence southerly 114 feet, thence westerly to Boush street, thence southerly 13 feet, thence easterly along Tazewell, to within 120 feet of Granby street, thence southerly to place of beginning.

## ABOUT TEN DAYS TO CLOSE.

It is estimated that about ten days from date will be consumed in the investigation of the title to the realty, before deeds will pass. This will, however, not delay sales, as there is probably no doubt that the title to this bonanza property is absolutely without flaw. It is understood that more sales of lots to local people will be made this week and next and that these sales are not for speculation purposes, but the purchasers desire the lots at the sites of business blocks, some of which are to be erected in the near future.

## VALUES STEADILY INCREASING.

The way in which Granby street property has rapidly increased of late is not surprising to many who have kept their eyes on the tendency of business that way. Last night one of Norfolk's shrewdest capitalists, a gentleman who is one of the largest individual property holders of this city, when interviewed regarding the sale, stated that he expected the Granby street lots to advance to about \$500 per front foot within a few weeks.

## RETAIL TRADE ON UPPER FLOORS

When interviewed last night on the subject of the sale and character of the structures to be erected on the Granby street lots, Mr. D. Lowenberg, who was instrumental in financing the deal, said that the tendency of retail trade now in the larger cities is to seek the second, third and even higher floors of business blocks, desirably located and built with the view of accommodating general retail trade.

There are a few examples of this in Norfolk to-day, especially in the furniture line, and it is Mr. Lowenberg's idea that the wise investor in Norfolk business structures will erect buildings with this end in view. With the fine modern elevators, space is annihilated and the tenth floor of a building is practically as good as the first floor, so far as convenience is concerned.

## LEACH-WOOD SITE NEXT.

It was rumored last night that the site of Leach-Wood School may be the next piece of Granby street realty to change hands, and that a strong syndicate of local capitalists is desirous of securing it, with the expectation that the advance of business up Granby street will make it, ere many years, a most valuable site for business uses.

## Left For New York.

Mr. Peter Wright, president of the Virginia Electric Light Company, left last evening for New York, preparatory to his bidding adieu to this city as his home. During Mr. Wright's stay in Norfolk he has made a vast number of friends, not alone by his upright accommodating and businesslike dealings, but also by his genial and courteous manner; so much so that we cannot help but regret his departure.

While here Mr. Wright made a great many improvements in the electric light plant here, and we sincerely hope to have Mr. Wright with us once again, in the meantime, we wish him great success in his new field, wherever that may be.

## TWO CHARTERS GRANTED

Proceedings of the Norfolk Courts Yesterday.

## YOUNG FASI CONVICTED

Judge Hancock Charters the Norfolk Warehouse Association, and North Ghent Land Company—Judgement

Arrested in Case of George Parker

—Dr. Morgan Held For Grand Jury

—Owens Acquitted in U. S. Court.

The Norfolk Warehouse Association was granted a charter yesterday by Judge Hancock, of the Corporation Court. The company is organized for the purpose of erecting and renting warehouses for the storage of cotton and other merchandise, to construct wharves and engage in a general shipping business; to build cotton compresses and to erect plants for the manufacture of ice and grinding plaster. The capital stock is to be not less than \$20,000 nor more than \$300,000, divided into shares of \$100 each.

The officers named in the charter are: John N. Vaughan, president; J. W. Perry, vice-president; John S. Jenkins, secretary; Fergus Reid, treasurer. There, with Thomas A. Jones, George L. Arps, Albert H. Grandy and W. F. Gregory, compose the Board of Directors.

It was stated by Mr. Fergus Reid, the treasurer of the new company, to a Virginian-Pilot reporter that the Norfolk Warehouse Association was practically a reorganization of the Norfolk Warehouse Company.

## NORTH GHENT LAND COMPANY.

A charter was also granted the North Ghent Land Company to handle real estate and to engage in building on the building and loan association plan principally in Ghent. Its capital is from \$30,000 to \$50,000, divided into shares of \$100 each. The amount of real estate to be held is not to exceed one thousand acres. The officers are: S. Q. Collins, president; H. L. Page, vice-president; J. Roy Collins, secretary, and B. W. Leigh, treasurer. Directors, S. Q. Collins, H. L. Page, A. E. Kries, B. W. Leigh and W. T. Simcoe.

## JUDGMENT ARRESTED.

Judge Hancock rendered a decision sustaining the motion of Attorney P. J. Morris for the arrest of judgment in the case of George Parker, convicted of attempting to drown an officer and to escape from arrest. Mr. Morris' motion was based on the omission of the word "feloniously" in the indictment against Parker. Although Judge Hancock's decision sets aside the verdict of the jury, which was two years in the penitentiary, the prisoner is not free, and may be re-indicted if the counsel does not agree upon some other sentence.

## PROPERTY TRANSFERS.
